EXPERIENCE

Petrol Advertising

2 yrs

Senior VFX Generalist

2021.08 - present

Currently Implementing Real-Time Engine technology into our rapidly growing pipeline. In conjunction with Houdini, I am helping facilitate the growth of Unreal Engine 5 into our Audio-Visual, and Visual ID departments.

VFX Generalist

2020.08 - 2021.08

In this role, I have held complete responsibility for full pipeline workflows to assist our vast team of creatives building globally recognized marketing campaigns with extremely quick turnarounds.

Chimney Studios

3 months

Houdini FX Artist

2020.01 - 2020.03

Leveraged my creative abilities for the development and implementation of Houdini systems to be pre-rendered and archived for future uses. Research and developed approaches for problem solving heavy flip simulations in a commercial setting.

Sparkd Studios
